### A Elephant

When people call this beast to mind  
They marvel more and more  
At such a little tail behind  
So large a trunk before.  
Elephants walking along the trails  
Are holding hands by holding tails.  
Trunks and tails are handy things,  
When elephants walk in circus rings.  
Elephants work and elephants play.  
And elephants walk and feel so gay.  
And when they walk it never fails  
They're holding hands by holding tails.

### Easter Eggs

Five little Easter eggs, lovely colors wore,  
Mother ate the blue one, then there were four.  
Four little Easter eggs, two and two you see,  
Daddy ate the red one, then there were three.  
Three little Easter eggs, before I knew,  
Sister ate the yellow one, then there were two.  
Two little Easter eggs, oh what fun,  
Brother ate the purple one, then there was one.  
One little Easter egg, see me run,  
I ate the green one, then there were none.
